SHOOTING STARS SPECIAL NEEDS GROUP

BASKETBALL SAN DIEGO/CLAIREMONT

Shooting Stars Special Needs Group Basketball is an inclusive program designed for children ages 5 and up (including adults) with a variety of disabilities (Autism, Down Syndrome and other physical and mental disabilities) to learn and enjoy the game of basketball in a fun, non-competitive environment.

GREAT REASONS TO BE A PART OF SHOOTING STARS BASKETBALL . . .

Have Fun!
Help our Great Kids Be Part of a Team!
Make a Difference!
(Did We Mention…Have Fun?!!)

2027 Schedule (Sunday afternoons)

January 17, 24, 31
February 7, 21, 28
March 7, 14
Location: Clairemont High School

Who can be Volunteers/Buddies/Coaches?

We are looking for High School/Middle School (or older) volunteers to be Buddies and Coaches for our Players and help with other jobs. This is an incredibly rewarding experience and you will earn credit toward your community service requirement by helping the kids. Buddies will work with our special needs players and team for the season. Buddies will support the players by working with him/her on the basic basketball skills (passing, shooting, dribbling, etc) and guide the player through the practices/games. Basketball and/or having worked with Special Needs Kids experience not required. There is no cost to be a buddy…and the rewards are Amazing!
(We are also seeking adult coaches…no experience necessary)

If you are interested in being a coach or volunteer/buddy (or know of someone who would like to be a player or buddy), please register through our website at www.shootingstarsgroup.org

If you have any questions or would like more information, please contact Rick Clark at 760 504-7242 (cell) or coachrick@shootingstarsgroup.org.
